INSTANT MOVIE

Improvise your own movie

Description: We will come to pick you up and take you to the movie shooting site in Lohja where our producer-leader will welcome you with a warm cup of coffee and a snack. He will brief groups in to the secrets of filmmaking, so that for one day, everybody is someone in film industry! At the site we have stagings and props not forgetting all the good advice from the producer. After the filming project, you'll enjoy a delicious buffet dinner. At the end of the day your productions will be introduced, judged and rewarded in our miniature Academy Awards. Documentation on how your films were made will be available on the web after the event
