SEE HELSINKI AS WE SEE IT!

SEE Helsinki through a local's eyes to get the most out of your stay here

Description: It's common knowledge that when you know a local, you get to see the place in a different way. Now you too have that chance, even if you don't know anyone! Let our friendly local guide show you the cool places where "normal" young adults hang out at Helsinki. We avoid at all costs churches, museums and other boring sights. You will get info about where to go and what to do; we will provide all the maps and info packages. Since we visit only the best places this trip never gets out of date, because it's never the same. Be brave and sign up for an experience you won't regret.
